ENDORSEMENTS:

"Youth on Course is the program that will change golf." – Matt Ginella

"It's a great opportunity for kids to enjoy the game, regardless of their background or what means they have." – Stephen Curry

"What we're trying to do is get kids involved with the game. If you have the skills and the etiquette, you can play for five bucks – maximum." – Tom Watson

"The whole idea of this program is access for kids 6-18 at just \$5 a round at affiliated courses. Not 'as low as \$5.' Five dollars, period." – Golf Digest
